Dear Diary:

The 1978-79 annual staff dedicates this yearbook to the Athletic Boosters. They have accomplished several projects as an asset to boys and girls athletics of Spencerville High School. Among these are the following: wrestling mats, pole vault and high jump pits for the track teams, basketball warm-ups for boys' and girls' varsity teams, construction of the football locker room and baseball dugouts, three athletic banquets per year, materials for new base and widening of a portion of the school's track and the list is even more extensive. Therefore, we would like to take this opportunity to praise and thank you for your many efforts. As a result of your hard work, our athletic program has improved tremendously and we have become one of the most competitive schools in the area and we are proud of it.

Thank You Athletic Boosters!

MOTTO

Wisdom is the principal thing;
therefore, get wisdom; and with all thy
getting, get understanding.

COLORS

Silver and Black

FLOWER

White Rose

Yesterday, Today, Tomorrow . . . a never ending cycle of life we each experience.

Yesterday we lived as a child, unaware of people, places, and problems which surrounded us as if we existed in a fantasy world.

We had faith in those around us to steer us down the right paths of life.

We are ignorant of all the jobs, hardships, and new discoveries that tomorrow may bring. But through faith in our leaders, our elders, and most importantly in ourselves.

We can live and work together; hoping to reach the high ideals of life we each have set for ourselves.

Today we live with abundance of opportunities surrounding us; inviting us to live our lives to their greatest potential.

So that once we've left this plateau, our lives may have an impression on those who follow after.

Ahead is the direction we always want to look,
until we recall our school days and see our memory books.
For when we look back, we will find,
these thoughts are stored away far in our minds.
We were at one time, people with youth,
but not any more we must face the truth.
We are growing up and it seems to be going fast,
we can't always be young and live in the past.
Doing various things, we tried to do our best,
but sometimes it didn't meet the request.
We were a class known as a whole,
all hoping and striving for individual goals.
Those who helped us, we called our friends,
they followed along to the very end.
When we accomplished something and received a smile,
it made the task seem more worthwhile.
Let us not forget our parents who always care,
we have thoughts and secrets with them we share.
They wanted us to know and try to understand,
if we needed them, they would reach out their hands.
There were several activities in which we belonged,
we did what we could to beat teams that were strong.
Participants who wanted to be recognized as stars,
and spectators who supported us near and far.
No matter who it is, we know they were on our side,
to keep the spirit moving and have remaining pride.
We were not always winners, at times we were beat,
but we learned to know and analyze the meaning of defeat.
Now many times, we want to be alone,
to look at ourselves and see how we've grown.
Through living and learning, we can open our eyes,
to what lies ahead for us to realize.
Each one of us now holds a key,
all are marked "opportunity".
At times when we look back, there are things which we regret,
it is better to relieve our minds and only forget.
For if we turn around, there are bound to be tears,
we must stop and think about the upcoming years.
Whatever the future holds, we're sure there will be,
challenges, decisions, and perhaps a mystery.
We can begin a different life and have a new start,
to step out in the world and become an important part.
We no longer attend the school of Spencerville High,
others come to take our place and we must say "Good-bye".
For the end is here, we must close the door,
all that's left is memories, there is no more.

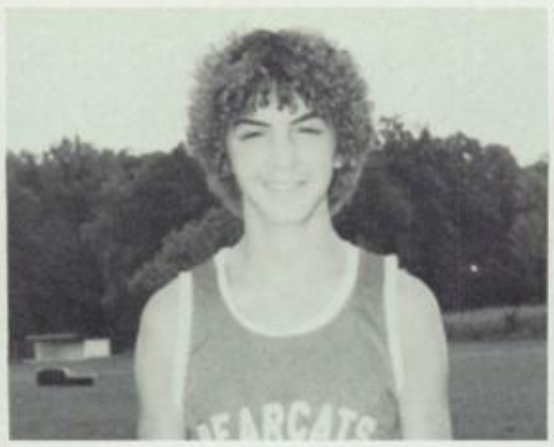
Dear Diary:

Our 1978 Cross Country team finished its' season with a final 64 wins and 25 losses. Included in this record are dual meets, which they won 10 and lost 5. For the 3rd consecutive year, our Bearcats have captured the title of Northwest Conference Champions.



Bill Wisher

Dear Diary:

During his four years of Cross Country, Bill Wisher has earned several honors. He lettered the last three years and was the team's Most Valuable Runner in his senior year. He ran on three NWC Championship teams; setting a 12:51 course record in the race at Columbus Grove, as a senior. Bill also holds the junior record, shares the senior record on the home course and holds the team's junior record at Faurot Park. As a senior, he had an outstanding season by finishing first, setting records in the Sectional, 13:02 and District, 12:54, Championship races, and finishing second in the State Class A Championship race with a time of 12:47 for the 2½ mile race. This was Bill's best time ever and the highest finish by Spencerville in a State meet.

Time Lloyd finished a very successful sophomore Cross Country season in 1978. He was third in the NWC race, at 13:22 and placed 10th in the Sectional in 13:53 to qualify for the District meet. There he placed 46th of 119 runners in 13:50. Tim earned the Bearcat Award for the most miles ran in practice from August to November, with 941 miles.

Dear Diary:

On September 22, 1978, the crowd at Memorial Field was anxiously awaiting the announcement of the 1978-79 Homecoming Queen. Finally the moment arrived when Julie Schosker's name was spoken over the loud speaker. She and her court watched the game as the Bearcats defeated the Bulldogs of Columbus Grove by a score of 29-8.

The following evening was the dance entitled "Last Dance". The queen and her attendants, along with their escorts, were once again announced. Julie was presented with a bouquet of red roses and a trophy. It was a beautiful sight for the students and guests who attended. The entire weekend was unforgettable for everyone.

Dear Diary:

"Boys and Ghouls Together," the Junior Class play for the class of 1980, focused on a very odd family, Dracula, his wife, Letha, their daughter, Dirga, and Letha's mother, Granny, as they all worked together to snare a husband for Dirga. The family, transplants from Transylvania, lived now in a quaint little castle in Europe, equipped with a man-eating venus fly-trap, a screaming clock, and an alligator in the cellar. The play covered their struggles to find a suitably depraved husband for their daughter among the group of young travelers that spent the weirdest day and night of their lives at the Draculas' castle. It seemed for a while as if one traveler, Buddy, the Draculas' choice but complications arose. The play ended well, with Dirga finding Mavelini as her perfect husband and several of the travelers getting their love lives straightened out.

Robert Kroeger

Play #1 — "Shotgun Wedding"

The Larkin cabin is the scene of the story of the Ozark mountain folks. Jeb, the lazy, shiftless, "Justice of the Peace", is a major roadblock to the plans of all couples wanting to get "hitched". Fortunately for Judy, her father's delay is enough to save her from an undesirable wedding and opens the way for an unusual but successful shotgun wedding.

Play #2 — "Sorry, Wrong Number"

Mrs. Stevenson is a self-centered, neurotic invalid who overhears a phone call during which a murder is planned. Her attempts to prevent the carrying out of this plan prove futile.

Play #3 — "How to Get Rid of a Housemother"

Alpha Beta Gamma Sorority is in need of a new housemother. The Dean's selection of Major Curtis to fill the role proves to be a dismal prospect for the future of Alpha Beta Gamma. However a smart pledge and a little superstition soon set things right.
